## SENIOR 2020 YEARBOOK SESSION TIPS

### \*\*\* We will take a picture of you in:

1. Formal attire (tuxedo for men/drape for women) This picture will be used by the school for the yearbook.
2. Cap & Gown

### \*\*\* Clothing

We have all of the clothing you will wear for the picture but here is what you should wear to the session: Men should bring a simple t-shirt (color doesn't matter) to wear under our dress shirts and coat. Women should bring a tank top (NOT a racerback, you must be able to pull the straps down over your shoulders) or camisole to wear under the drape. (Women, if you don't have these, we have an undergarment you can wear under the drape.)

### \*\*\* Hair: *Do NOT experiment with a new hair style! (Must conform to dress code, no non-natural colors.)*

Women: Straight vs. Curls? Do what's natural for you. We do not recommend pulling your hair back and having "wispy hair" hanging down from the side.

Men: If you need a haircut, we recommend you not do it the day before. We also recommend you have facial hair neat and trimmed. "Five o'clock shadows" will show in the yearbook picture. We do not remove them.

### \*\*\* Hands

Your hands will show in the cap & gown picture so take care of your fingernails.

If you have one, bring your senior ring.

### \*\*\* Jewelry

Women, a necklace and earrings may be worn with the drape. Keep it simple. Don't wear anything that distracts from you. If you have one, bring your senior ring. Any piercings must conform to dress code.

### \*\*\* Sunburn/Over-tanning

If you know you have pictures coming up, don't go out and get sun-burned. "Spray-tans" and over-tanning will make you look orange in your pictures.

### \*\*\* Acne

The picture you choose for the yearbook will be touched up so don't worry if you wake up that morning with a blemish.

\*\*\* Practice your smile. Yes men, it is ok to smile!

\*\*\* Don't come dripping in sweat. We will not let you put on our clothing if you are wet. In other words, don't come straight from athletics or band practice.

\*\*\* If the senior has special needs, please contact us in advance at: [info@bepphoto.com](mailto:info@bepphoto.com)

### \*\*\* After the Session

The session may take approximately 15 minutes. You will view your images as soon as we finish (except for any makeup days) and you will choose the one you want for the yearbook. We will then upload them to our website in approximately 72 hours for viewing and ordering.

### \*\*\* Specials

Limited time specials will be available on summer dates.

### RETAKES – Come prepared

*When viewing your images on that day, make sure you are happy with them **BEFORE** you leave.* If you are not satisfied, we will re-dress you and take more immediately. However, if you leave and then require a retake, we will charge a \$35.00 retake fee. A few reasons people retake: Tried a different hair style, forgot senior ring, refused to smile or didn't like their smile, wore too much make-up. There are more reasons but these are the most popular. Come prepared.
