SENIOR 2023 YEARBOOK SESSION TIPS

*** We will take a picture of you in:

1. Formal attire (tuxedo or drape). This picture will be used by the school for the yearbook and at your commencement ceremony.
2. Cap & Gown

*** **Clothing** : We have all of the clothing you will wear for the picture.

What to wear (from the waist down does not matter, be comfortable; dresses are not recommended):

Men: a t-shirt (color does not matter) to wear under our dress shirts and coat.

Women: a tank top (NOT a racerback, you must be able to pull the straps down over your shoulders) or camisole. (Ladies, if you do not have these, we will have an undergarment you can wear under the drape.)

*** **Modesty/Religious Preference** : We will accommodate requests to cover head and/or shoulders. This includes the wearing of a hijab. Please let our staff know when you arrive at your session.

*** **Hair**: ***Do NOT experiment with a new hair style!***

Straight vs. Curls? Do what is natural for you. We do not recommend pulling your hair back and having “wispy hair” hanging down from the side.

If you need a haircut, we do not recommend you do it the day before. We also recommend you have facial hair neat and trimmed. “Five o’clock shadows” will show in the yearbook picture. We do not remove them.

*** **Hands** : Your hands will show in the cap & gown picture so be sure nails are trimmed and neat.

*** **Jewelry** : A necklace and earrings may be worn with the drape. Keep it simple. Do not wear anything that distracts from you. If you have one, bring your senior ring. Any piercings must conform to dress code.

*** **Sunburn/Over-tanning** : Do not get a sunburn. We will not fix this with retouching. Spray tans and over-tanning will make you look orange in your pictures.

*** **Acne** : The picture you choose for the yearbook will be retouched so do not worry if you wake up that morning with a blemish. (Retouching includes blemishes, softening bags and dark circles under eyes, teeth whitening, etc.)

*** **Makeup** : Makeup is good but do not overdo it. Too much can make your face look one color while your neck/shoulders/hairline may appear to be a different color. We do not recommend using heavy concealer to cover acne as that involves adding too much makeup and does not look natural. We will retouch the yearbook picture.

*** **Practice your smile**. Yes, it is ok to smile! We will take a series of photos – we recommend that you do not have the same expression in all poses. For example, all with no smile/teeth showing. You will be choosing your yearbook image so a variety of smiles or non-smiles will give you more to choose from. (This is a common reason for retakes.)

*** **If the senior has special needs**, please contact us in advance at: info@bepphoto.com

*** **After the Session** The session may take approximately 15 minutes. You will view your images as soon as we finish (except on makeup days) and you will choose the one you want for the yearbook. We will then upload them to our website in approximately 72 hours for viewing and ordering.

*** **Specials** : Limited time specials will be available through August 31st, 2022. You may pre-pay for the specials.

RETAKES – Come prepared

*When viewing your images on that day, make sure you are happy with them **BEFORE** you leave.*

If you are not satisfied, we will re-dress you and take more immediately. However, if you leave and then require a retake, we will charge a \$35.00 retake fee. The most common reasons for retakes: Tried a new/different hair style, forgot senior ring, refused to smile or did not like their smile, wore too much make-up.

*****PARENTS** are absolutely invited and encouraged to experience this with your senior. You will NOT be the only parent in attendance! We will let you take a picture with them in the cap and gown at the end of the session.
